

Cobb County Public Library System
Bulletin Board Postings and Giveaway Policy

Approved: January 25, 2010, January 23, 2012; January 27, 2014, January 25, 2016, February 26, 2018;
July 27, 2020

Cobb County Public Library System (CCPLS) will post or distribute materials that are produced by the library, the Library Foundation, or a government agency (local, state or federal) or a department of such an agency. Such materials include, but are not limited to pamphlets, flyers, posters or electronic media.

CCPLS also may post or distribute material from partner agencies providing public service aligned with the library's mission and goals.

Materials may be displayed for thirty days, or as long as dates/information are still relevant and space permits. The Director may grant an extension at his or her discretion. CCPLS program and marketing materials take priority over materials from other agencies.

The approved entities, as designated above, are responsible for distributing their materials to each Cobb County Public Library facility.

The enforcement of this policy may be appealed to the Cobb County Library System Board of Trustees. The decision of the Board will be binding.

*Approved by the Library Board of Trustees
